

## Cell Line Identification

### Ordering Process

To order and setup the Cell Line Identification process follow these simple steps:

#### Step 1

Call DDC at **1-800-929-0815** to get started and/or download the Order Form PDF from [www.DNAcenter.com/cell-line](http://www.DNAcenter.com/cell-line).

#### Step 2

Complete the Order Form and fax to **1-800-363-1707**.

#### Step 3

Carefully follow the Sample Shipping Instructions, and send samples to:

DNA Diagnostics Center  
Attention: Cell Line ID  
One DDC Way  
Fairfield, OH 45014

#### Step 4

You will be notified upon sample arrival and receive a due date.

#### Step 5

Once the testing is completed, your results will be sent via your preferred method(s).
